Dear Bill,

I want to thank you for all of your efforts on my behalf. I know you put a lot of time and effort into my case and I greatly appreciate that. I know you must be disappointed in the results, as obviously I am. It seems to me that the committee needs to look at the definition of sexual abuse and maybe flesh it out into categories and not keep it so restricted. Just my opinion.

I made a mistake on the date of the wedding, it's October 10th, not 11th, if that makes any difference.

Once again, thanks for everything. Some one of these days we should "do" diner when you are on the Cape.

Peace,

Arthur
